Human Trafficking: Illegal movement of people, typically for the purposes of forced labor or commercial sexual exploitation.

Approximately 80% of human trafficking are young women and girls are often force to have abortions.

Texas has the unfortunate distinction of being one of the three most active states for human trafficking in the United States. When human trafficking is defeated in Texas, it will strike a major blow out against the profitability of human trafficking in the United States. The United States is presently one of the top three destinations points for international human trafficking.

The most vulnerable of people are suffering and dying because of the cold-blooded crime of human trafficking

The joy of love that lives in families is also the joy of the church. -Pope Francis

The Twelve Promises of the Sacred Heart

In May 1673, Jesus gave to Saint Margaret Mary for those souls devoted to his Heart the following promises:

- I will give you all the graces for your state of life.
- I will give you peace to your families.
- I will comfort you with your sorrows.
- I will be their refuge during life and above all at the hour of death.
- I will bless blessings in all your companies.
- Sinners will find in my Heart an ocean of mercy.
- Warm souls will become fervent.
- Fervent souls will make rapid progress in perfection.
- I will bless the houses where my image is exposed and venerated.
- I will give to those who deal with the salvation of souls the gift of moving the most hardened hearts.

"I promise you, in the excessive mercy of my Heart, that your omnipotent love will grant to all those who receive nine First Fridays of months in succession, the grace of final penance." They will not die in my misfortune, or receive their sacraments; My Divine Heart will be their refuge at that last moment.

Now the ruler of this world will be driven out, says the Lord; and when I am lifted up from the earth, I will draw everyone myself. John 12:31b-32
