Pro-Life Message: "Things have gone too far..."

"In the United States abortion is legal throughout pregnancy. Yet abortion is a violation of human rights incomparable in magnitude and an atrocity for the whole human family. While Roe v. Wade appeared to create a right with some limitations, Doe v. Bolton, which was decided the same day, erased those limitations by creating a "health" exception so broad that it effectively allows abortion for any reason at any time... Most Americans are surprised and shocked to learn about the lack of any meaningful legal limitations for abortion. Most know things have gone too far. Together with those from many other faith communities, we work to bring about a society that recognizes abortion for what it truly is" (A Matter of the Heart -- A Statement of the United States Conference of Catholic Bishops on the Thirtieth Anniversary of Roe v. Wade)

Mensaje Pro-Vida: "Las cosas han ido demasiado lejos ..."

"En los Estados Unidos, el aborto es legal durante todo el embarazo. Sin embargo, el aborto es una violación de los derechos humanos incomparable en magnitud y una atrocidad para toda la familia humana. Si bien Roe v. Wade pareció crear un derecho con algunas limitaciones, Doe v. Bolton, que se decidió el mismo día, borró esas limitaciones al crear una excepción de "salud" tan amplia que efectivamente permite el aborto por cualquier motivo en cualquier momento ... La mayoría de los estadounidenses están sorprendidos y consternados al enterarse de la falta de limitaciones legales significativas para el aborto. La mayoría sabe que las cosas han ido demasiado lejos. Junto con los de muchas otras comunidades religiosas, trabajamos para lograr una sociedad que reconozca el aborto por lo que realmente es" (A Matter of the Heart - A Statement of the United States Conference of Catholic Bishops on the 30th Anniversary of Roe V.
